OFFICE OF

Director of Food Supplies in Mysore, Bangalore.

No. Bl.C.6209/48.
Encls. (4) 3 original.

Date the 9th February 1950.

To

The Secretary to Government,
Public Health, Food & Civil Supplies Departments,
B a n g a l o r e.

Sir,

In inviting your reference to correspondence ending with my letter No. Bl.C.1485/47 dated 4-11-48 regarding the loss of rice and gram dhal bags by theft in the Bindumalayam Choultry at Kolar on 21-8-47, I write to state that the Deputy Commissioner, Kolar has, after necessary departmental investigation into the matter, reported that this being a clear case of theft no official can be held responsible for the same and that he is therefor of opinion that the loss (Rs.571-15-0) resulting to Government in this connection being the value of 13 bags of Bengal gram dhal, 2 bags of fine rice and 15 empty gunnies may be written off the accounts. A copy of the Deputy Commissioner's letter No. F.A.34/48 dated 15-3-49 together with its enclosure in original is herein enclosed for reference.

2. The Auditor & Accounting Officer of this Department has, after further investigation through his Departmental staff and also into the records of enquiry on the administrative side, stated that the main suspicious point in this case is that the bags were kept in an uncountable condition for a fairly long time suggesting a possibility of removal of bags (a few bags at a time) so as to cover evidence of removal, that the necessity or otherwise to keep the bags in such a condition due to lack of space has not been explained and that however in view of the time, that has elapsed and the 'C' report given by the Police the amount may have to be written off with sanction of Government.

3. I agree with the Deputy Commissioner and request that as ultimately agreed to also by the Auditor & Accounting Officer sanction of Government may kindly be obtained to write off the

Letter No.F.A.34/48-49 dated 15-3-49 from the Deputy Commissioner, Kolar District to the Director of Food Supplies in Mysore, Bangalore.

Theft of 13 bags of Bengal gram dhal and two bags of fine rice in Bindamalayan Choultry at Kolar.

With reference to your letter No.P1.C.1485/47-48 dated 4-11-1948, requesting me to examine the possibility for the recovery of the loss from the Officials responsible if any, for the loss, I write to state that this a clear case of theft, the bags stolen being removed through the window by taking out the bars and by fixing the bent bars so as to make it appear at the first sight that the window bars were in tact. The matter had been reported to the Police also. They have not been able to detect the case and have submitted a 'C' report.

As no official can be held responsible for the theft of the foodgrains in question, I am of opinion that the sum of Rs.571-15-0 being the value of the stolen commodities may kindly be ordered to be written off the accounts. The report received from the Officer in charge of the Reserve Depot is sent herewith in original for perusal.

Subject: Theft of 13 bags of B.Gdhall and 2 bags of Rice in Bindamalvam godown in Kolar.

Sir,

With reference to your memo no. FA. 36/48-9 dated 11.1.1949 asking me to submit a detailed report on the several points observed therein, I wish to state as follows:-

It is seen from the godown Register that the then Officer Sri N.D. Venkara Subbaiah Checked the stocks in this godown on 31.8.1947 and certified that there were three bags of Rice & he has observed that the other bags viz 1738 bags of B.Gdhall were not in a countable condition. On 1-9-1947 the depot Clerks J.H. Narasimhamoorthy and B.N. Nagesh reported to the Officer that when they ~~found~~ visited the godown in the evening. they found two bags of Rice were missing & they also suspected that there might be less of some bags of B.Gdhall also as B.Gdhall was scattered on the floor.

The officer went to the depot on the next day i.e. 2.9.1947 and opened the depot in the presence of the panchayetdars and drew up a Mahazar (a copy of the Mahazar drawn before him on 2.9.1947 is submitted herewith for kind perusal. It is seen from the Mahazar that on counting the number of bags in fact It was found that there was only one bag of Rice against the three bags of Rice noticed on 31.8.47 and that the counted bags of B.Gdhall in the hall were 1355 against the 1368 according to the godown Register resulting in a total loss of 13 bags of B.Gdhall and two bags of Rice. Mahazardars have opined that this loss is due to theft for the reasons stated in the last few lines of the Mahazar. The Mahazar has been drawn in details as to how the theft might have occurred. The mahazardars opine that the bags were removed through the window by taking out the bars and by fixing the bent bars loosely so as to make it appear at the first sight that the window and bars were intact. Moreover, it is also seen from the mahazar

that there were marks on the floor outside near the window, showing that bags were dragged across. This also gives clear indication that the theft of the bags has occured through the window.

The then officer immediately on receipt of a report from depot clerks has referred the matter to the police to investigate into the loss of Government articles. The police have reported on 16.8.1948 that the case is undetectable.

The total loss viz 13 bags of B. Gdhall and two bags of fine rice will work upto Rs. 571-15-0 as detailed below. Since this is a definite case of theft, I am of opinion that the loss has to be written of the accounts.

I solicit kind orders in the matter.

(a) The total quantity got on measurement of 1946 bags is, 1,70,010 Srs. The total contents for 13 bags of B. Gdhall will approximately work out to 1135 Srs.

(a)	Cost at the rate of 2 1/4 Srs per rupee will be	504-7-0
(b)	Cost of 13 gunnies at 0-8-0	6-8-0
(c)	Cost of 2 bags (180 Srs) fine Rice at 3 Srs per rupee	60-0-0
(d)	Cost of 2 gunnies at 0-8-0	1-0-0
	Total loss.	571-15-0

Yours faithfully
